Other materials:

- 3 eggs (160 gram)
- 70 gram soft, unsalted butter
- 185 ml water
- 50 ml milk

Preheat the oven to 180°C (convection oven 160°C). Prepare the 640 gram FunCakes mix for Brownies as indicated on the package or in this basic recipe. Place the baking cups in the muffin tray and fill them for two third with the batter. Bake the brownies for 18-20 minutes and let them cool down completely afterwards. Prepare the 75 gram FunCakes mix for Enchanted Cream as indicated on the package and put it into a decorating bag with tip #140.

Stick the eyeballs on the brownies with some edible glue and pipe with the Enchanted Cream “bandage” strips over the face.
