## Step 1: Bake the Red Velvet

Preheat the oven to 175°C (convention oven 160°C). Process the ingredients at room temperature. Prepare 250 grams of FunCakes Mix for Red Velvet as indicated on the package. Grease the baking pan with baking spray and spread the batter in it. Bake the red velvet cake for 30-35 minutes until done. After baking, turn it out onto a cooling rack and let it cool well.

## Step 2: Make the buttercream

Prepare 150 grams of FunCakes Mix for Buttercream as indicated on the package.

## Step 3: Fill and frost

Slice the cake in half and fill and frost it with the buttercream. Let the red velvet cake cool in the refrigerator for half an hour so that the crumb coat becomes firm.

## Step 4: Decorate the cake

Color 1/2 of the buttercream pink, 1/4 yellow, and 1/4 red. Then frost the cake with the pink buttercream. Place the yellow and red buttercream separately in a piping bag with tip #003. Use the yellow buttercream to make small flowers on the top and smooth with a spatula. Pipe "BE MINE" on the bento cake with the red buttercream and finish with the sprinkles.

**Step 5: Declare your love with this delicious Bento Cake!**
