Step 1: Make the Carrot Cake

Ensure all ingredients are at room temperature. Preheat the oven to 175°C (convection oven 160°C). Prepare 500 grams of FunCakes Mix for Carrot Cake as indicated on the package. Spray the baking pan with Bake and Release Spray and then spread the batter into the pan. Bake the cake for 50 to 60 minutes until cooked through, then allow it to cool well on a rack.

Step 2: Make the buttercream

Prepare 250 grams of FunCakes Mix for Buttercream as indicated on the package. Colour 2/3 of the buttercream green and 1/3 yellow. If you don't use the buttercream immediately, it's okay, but keep in mind that you'll need to stir it again before use to smooth it out.

Step 3: Slice and fill the cake

Slice the cake in half with a cake leveler. Take the cake drum and stick the bottom layer of the cake on it with some buttercream. Fill the cake with buttercream and then place the other half on top. Spread the cake with green buttercream and let it harden in the refrigerator for half an hour.

Step 4: Decorate the cake

First, sprinkle the hazelnut crunch on the top of the cake and place the carrots and rabbits on it. Put the yellow buttercream in a piping bag and create waves at the bottom of the cake on the cake drum. Finally, sprinkle the sprinkles over it.

Step 5: Enjoy this delicious Easter cake during your Easter brunch!
