Ingredients

- FunCakes Deco Melts Green
- FunCakes Deco Melts Purple
- FunCakes Deco Melts Orange
- FunCakes Deco Melts White
- FunCakes Sprinkle Medley Halloween 50 g
- FunCakes Sugar Decoration Halloween Set/12

Supplies

- Wilton Roll Baking Paper

Step 1: Melt the FunCakes Deco Melts

Melt the FunCakes Deco Melts separately in bowls in the microwave according to instructions on the package. Line a baking sheet with baking paper and pour the melted Deco Melts onto it.

Step 2: Mix the colors Using a spatula, stir the colors together a bit and spread the mixture on the baking sheet. Immediately sprinkle it with the FunCakes Halloween Medley and the FunCakes Halloween sugar decorations.

Step 3: Break it into pieces

Let it set in the refrigerator for about 20 minutes and break it into pieces.
