## Necessities

- FunCakes Decoratings Bag 41 cm
- FunCakes Parchment Paper Sheets 30x30 cm pk/50
- Wilton Decorating Tip #125 Petal Flower
- Wilton Decorating Tip #1A Round
- Dr. Oetker Pastry Brush with Wooden Handle 19,5x2,4 cm

## Step 1: Bake the éclairs

Preheat the oven to 180°C (160°C fan oven) and line a baking tray with parchment paper. Sprinkle a little fine granulated sugar over the paper.

Prepare 150 g of FunCakes Mix for Biscuit Deluxe according to the instructions on the package. Transfer the batter into a piping bag fitted with Wilton tip #1A. Pipe 10-12 cm long strips onto the parchment paper, leaving enough space between each one. Bake for 10-12 minutes until lightly golden. Let them cool on the countertop. Repeat the steps until all the batter is used.

## Step 2: Make the cream

Prepare 100 g of FunCakes Mix for Swiss Meringue Buttercream as directed on the packaging. Add some FunCakes Raspberry Flavour Paste and transfer the cream into a piping bag fitted with Wilton tip #125.

## Step 3: Brush the bottoms with choco melts

Melt 150 g of FunCakes White Chocolate Melts according to the package instructions. Brush the bottom of the cooled éclairs with a thin layer of melted chocolate. This prevents the biscuit from getting soggy from the cream.

## Step 4: Make the pink glaze

Warm some FunCakes Dip 'n Drip for 10-15 seconds as directed on the package. Add a bit of

FunCakes Food Colour Gel in pink or (a small amount of) red to tint it pink. Transfer it to a piping bag and snip off a small tip. Decorate half of the éclairs with a decorative drip.

### **Step 5: Decoration**

Pipe a neat zigzag of raspberry cream onto the choco-covered éclairs without glaze. Hold the wider side of the piping tip against the éclair and pipe a gentle zigzag motion. Place an éclair with pink glaze on top. Also pipe a zigzag of cream on top and finish festively with FunCakes Soft Pearl Mix Pastel Perfect, Blossom Mix Pastel, and Small Flowers.
