## Ingredients

- 500 g FunCakes Mix for Cookies
- Wilton 4-in-1 Sprinkle Mix Spooky Halloween
- Wilton 4-in-1 Sprinkle Mix Haunted Halloween
- Jar of apricot jam
- 150 g unsalted butter
- 1 egg (approx. 50 g)

## Necessities

- FunCakes Parchment Paper Sheets 30x30cm pk/50
- Wilton Koekjesuitsteker Pompoen 7,9cm
- Wilton Koekjesuitsteker Vleermuis 7,8cm
- Wilton Wide Glide Rolling Pin 50cm
- Patisse Houten Kwastje 1,5cm
- Sieve

## Step 1: Make the cookie dough

Prepare the 500 g FunCakes Mix for Cookies as indicated on the package. Wrap the dough in plastic wrap and let it firm up in the refrigerator for 1 hour.

## **Step 2: Preheat the oven**

Preheat the oven to 180°C (convection oven 160°C) and line a baking tray with baking paper.

## **Step 3: Bake the cookies**

Briefly knead the chilled dough until smooth and roll it out on a lightly floured work surface to a thickness of approximately 2-3 mm. Cut out shapes and place them on the prepared baking tray. Bake the cookies for 9-12 minutes until lightly golden and cooked through. Leave them to cool completely on a flat surface.

## **Step 4: Make the apricot glaze**

Heat the jar of apricot jam in the microwave and press it through a sieve using the back of a spoon. This will be your apricot glaze for brushing the cookies.

## **Step 5: Decorate the cookies**

Brush the cookies with a thin layer of apricot glaze and sprinkle the sprinkle mix over the top.
