Other materials:

- Bag of round marshmallows
- Skewers
- Baking plate covered with baking paper

Put three marshmallows on the skewers, make sure they are well connected. Melt 500 gram FunCakes Chocolate Melts - Dark in a bowl in the microwave. Pour the melted chocolate over the marshmallows, let the remaining chocolate drip off and put them on a baking plate. Let the chocolate stiffen in the fridge. Melt the FunCakes Flavoured Chocolate Melts (50 grams of each flavour) and 50 gram Wilton Candy Melts apart from each other in bowls in the microwave. Fill three decorating bags with the melted chocolate, cut off a tip of the bags and drizzle over the marshmallows. Sprinkle nonpareils and metallic flowers over it.
