Other ingredients:

- 5 eggs
- 500 g soft unsalted butter
- 200 ml water

The marzipan

Make sure you have 500 g FunCakes marzipan Natural. Colour 250 g marzipan brown with the FunCakes Edible FunColours gel Brown. Colour a small piece of marzipan peach. Keep the rest of the marzipan natural. Roll out the marzipan on a counter top sprinkled with magic roll-out powder. Stick with the 2 biggest sizes from the PME Round cutters set/3 just as much circles from both colours as you have cupcakes. Use the biggest one for the brown colour and the smaller one for the natural colour.

The Sloth

Take the natural circles and make a v-shaped gap with the PME cutting wheel. Cut raindrop shapes from the brown marzipan for the eyes, use the cutting wheel for this also. Make small balls from the peach marzipan for the mouth and press this a little bit flat. Use the black marzipan to create the nose. Stick all of the parts together and draw with the FunCakes FunColours Brush Food pen black mouths and eyes on the marzipan. Also use some black pearls for the eyes.

The cupcakes

Prepare 500 gram FunCakes mix for cupcakes as described on the packaging. Next prepare 200 gram FunCakes mix for butter cream as described on the packaging. Preheat the oven to 180°C (convection oven 160°C). Divide the House of Marie baking cups over the Wilton Recipe right muffin pan. Fill the baking cups with the cupcake batter. Bake the cupcakes in approx. 18-20 minutes brown and let them cool off.

Decorating

Colour the butter cream green with the FunCakes FunColours gel Holly Green and put this in a FunCakes piping bag with Wilton decorating tip #1M. Squirt beautiful rosettes on the cupcakes and put a sloth head on each cupcake.
