Instructions

Step 1: Preparation

Preheat the oven to 165°C (325°F). Grease two baking sheets with baking spray or butter. Write or print 12 personal messages on paper strips measuring 6.5 x 1.5 cm.

Step 2: Make the batter

Sift the flour, sugar, cornstarch, and salt into a bowl. Mix with a whisk until well combined. In a separate bowl, whisk the egg white, almond extract, and vanilla extract until foamy (but not stiff). Add the egg mixture and water to the flour mixture and stir into a smooth batter. If the batter is too thick, add ½ to 1 tablespoon of water until it's thin enough to spread.

Step 3: Bake the cookies

Spoon two portions of batter (½ tbsp each) onto the baking sheet, spaced at least 10 cm apart. Use the back of the spoon to spread into circles about 7.5 to 9 cm in diameter.

Note: Only bake two cookies at a time, as they need to be shaped while hot, or they will harden too quickly.

Bake for 5-7 minutes until the edges are golden brown.

Step 4: Shape the cookies

Remove the baking sheet from the oven. Quickly flip the cookies over using a spatula. Place a paper message in the center, fold the cookie in half, and pinch the edges. Then fold it over the rim of a mug to form the fortune cookie shape. Place the cookie in the muffin tin to cool. Repeat with the second cookie. Continue this process until all the batter is used.

Step 5: Let the cookies cool completely

Allow the cookies to cool fully so they become crisp.

Step 6: Decorate

Melt the Wilton Candy Melts® Pink and Light Cocoa according to package instructions. Dip half of each cookie in the melted Candy Melts, sprinkle with decorations, and let set on parchment paper. For extra decoration, use the Wilton Disposable Decorating Bags (30 cm) with the Wilton Decorating Tip #002 Round. Fill the piping bag with melted Candy Melts and drizzle thin lines over the cookies. Let everything cool and harden completely, then store the cookies in an airtight container in a cool, dry place.

Step 7: Enjoy your Valentine fortune cookies - or gift them to your Valentine!
