Step 1: Bake the sponge cake

Preheat the oven to 175°C (convection oven 160°C). Process the ingredients at room temperature. Prepare 300 grams of FunCakes Mix for Sponge Cake as indicated on the packaging. Fill the greased baking pan with the batter and bake in the oven for 35-40 minutes until done. Do not open the oven during this time! The sponge cake is ready when it feels resilient. After baking, transfer to a cake rack and let it cool thoroughly.

Step 2: Make the Enchanted Cream®

First, prepare 75g of FunCakes Enchanted Cream® Mix as indicated on the packaging, with 50 ml of milk and 50 ml of water. Then prepare another 75g of FunCakes Enchanted Cream® Mix as indicated on the packaging, but add 50 ml Flugel and 50 ml water. Divide the Enchanted Cream® into three parts and color one part hot pink and the other yellow using Colour Mill food coloring, leaving 1/3 white.

Step 3: Cut and fill the sponge cake

Cut the sponge cake into three equal pieces using a cake saw. Fill a piping bag with the pink Enchanted Cream® filling and fill the cake. Next, spread a thin layer of the white Enchanted Cream® on the cake and let it set in the refrigerator for 30 minutes. Spread the final layer with the pink Enchanted Cream®.

Step 4: Decorate the Flugel cake

Fill two piping bags with the yellow and pink Enchanted Cream® and use piping tips 1M and 1B. Decorate with various swirls, sprinkles, the cake topper, and, if possible, edible printed images, and of course, some mini bottles of Flugel.

Step 5: Have a great party with this Flugel cake!
