Ingredients:

- 500 g FunCakes Mix for CupCakes
- 200 g FunCakes Mix for Enchanted Cream®
- FunCakes Flavour Paste White Choco
- FunCakes Sprinkle Medley Dino
- FunCakes Sugar Decorations Dino Set/12
- FunCakes Food Colour Gel Bright Green
- 250 g soft unsalted butter
- 200 ml milk
- 5 eggs (approx. 125 g)

Necessities:

- FunCakes Baking Cups Dino
- FunCakes Decorating Bags 41 cm
- Wilton Decorating Tip #1M Open Star
- Wilton Recipe Right® Muffin Baking Pan 12 cupcakes
- Cling film

Step 1: Make the cupcakes

Preheat the oven to 180°C (convection oven 160°C) and place the baking cups in a muffin pan.

Prepare 500 g FunCakes Mix for Cupcakes according to the instructions on the package and divide the batter evenly among the baking cups. If you have any batter left, bake a second batch. Bake the cupcakes for approximately 19 to 23 minutes until done, then remove them from the pan and allow them to cool on the countertop.

Step 2: Decorate the cupcakes

Prepare 200 g FunCakes Mix for Enchanted Cream® according to the instructions on the package and add FunCakes Flavour Paste White Choco to taste. Divide the cream into two equal portions and colour one portion light green using FunCakes Food Colour Gel Bright Green.

Place a sheet of plastic wrap on your work surface and spread the two colours of cream next to each other in long strips. Roll the plastic wrap tightly into a log and cut one end open. Place the cream log into a piping bag fitted with Wilton piping tip #1M and pipe beautiful two-tone swirls onto the cupcakes. Finish with FunCakes Dino Sprinkle Medley and a dino sugar decoration.
