Other materials:

- 5 eggs (approx. 250 gram)
- 250 gram unsalted butter
- 100 ml water
- 100 ml milk
- Shredded coconut

All the ingredients need to be at room temperature. Preheat the oven to 180°C (convection oven 160°C). Line a muffin pan with paper baking cups. Mix 500 gram mix for cupcakes, 250 gram butter and 5 eggs on low speed in 4 minutes to a smooth batter.

Divide the batter into three portions. Portion one: stir the white chocolate flavour and the chocolate chunks true the batter and fill the pink cups with the mixture. Portion two: stir the coconut flavour true the batter and fill the green cups with the mixture. Portion three: leave this natural and fill the yellow baking cups with the batter. Bake the cupcakes in approx. 18-20 minutes.

Mix 150 gram mix, 100 ml milk and 100 ml water for 3 minutes at high speed. Divide the cream into three portions.
