Step 1: Bake the cupcakes

Preheat the oven to 170°C (fan oven 150°C). Ensure that all ingredients are at room temperature. Then prepare 500 grams of FunCakes Mix for Cupcakes as directed on the package. Place the cupcake liners in the baking pan and fill them with the batter. Tap the pan a few times on the counter to help the batter spread evenly. Bake the cupcakes for about 30-35 minutes until done, then allow them to cool completely before decorating.

Step 2: Make the buttercream

While the cupcakes are baking, mix 300 g of buttercream mix with 200 ml of water in a bowl. Let the mixture rest for 1 hour. Next, beat 360 g of softened butter for 2 minutes. Add half of the butter to the mixture and mix until fully incorporated. Add the remaining butter and mix on high speed for another 5 minutes.

Divide the buttercream into 2 portions. Colour one portion with Sky Blue. Add a tiny bit of purple colouring to the white portion to make the buttercream appear whiter. Prepare two piping bags with the appropriate piping tips.

Step 3: Decorate the cupcakes

Place the blue buttercream in a piping bag with tip #2D and the white buttercream in a piping bag with tip #1M. Pipe large swirls onto the cupcakes and finish by decorating them with sprinkles, penguins, and cupcake toppers.

Step 4: Enjoy these delicious Winter Wonderland Cupcakes!
