- A4 paper

Note: Make the butterflies an hour in advance so they can dry well.

Step 1: Make the butterflies

Knead 200 grams of FunCakes Sugar Paste White with a pinch of tylo powder for firmness. Then divide this into 5 pieces and colour 4 pieces of sugar paste in different shades of pink with the FunCakes Food Colour Gel Pink. Fold the A4 paper in half lengthwise and fold the long sides in half again. This will create a V-shape in the middle.

Roll out the coloured sugar paste with the Wilton rolling pin on a work surface dusted with sugar baking powder to a thickness of 1-2 mm and cut out butterflies with the Patisse Butterfly Cutters. Fold the wings slightly towards each other and let them dry in the V shape.

Step 2: Make the FunCakes Mix for Sponge Cake

Preheat the oven to 175°C (hot-air oven 160°C). Then make 400g of the FunCakes Mix for Sponge Cake as directed on the packet. Grease the round baking tin with the FunCakes Bake Release Spray and place the sponge cake batter into the baking tin. Bake the sponge cake for about 40-45 minutes, and after baking, dump it onto a cake rack to cool.

Step 3: Make the FunCakes Mix for Buttercream

Meanwhile, prepare 200 grams of FunCakes Mix for Buttercream as directed on the package. Flavour the buttercream with the FunCakes Flavour Paste Strawberry.

Step 4: Fill in and cover the Sponge Cake

Cut the sponge cake in half twice with the cake leveler and fill in and cover the strawberry butter cream all around the cake. Then leave to set in the fridge for half an hour.

Step 5: Line the cake with sugar paste

Roll out 750 grams of the FunCakes Sugar Paste White on a work surface dusted with sugar baking powder to a thickness of 2-3 mm and line the cake with it. Use the 2 smoothers to get the sugar paste nice and tight around the cake and neatly cut away the excess sugar paste with a knife.

Step 6: Decorate the cake with butterflies

Stir some FunCakes Mix for Royal Icing in a bowl until smooth and put it in a piping bag. Cut off a small tip and use it to stick the butterflies in an ombre heart shape on the cake.

Step 7: Enjoy a delicious piece of Butterflies Cake!
