Other materials:

- 175 + 250 gram soft unsalted butter
- 4 eggs
- 50 ml water
- 70 gram egg white
- Jar of lemon curd
- 150 ml Limoncello (or use the FunCakes Flavouring Paste Lemon)
- Lemon, for decoration
- Ice cream scoop

Mix 300 gram FunCakes mix for Macarons with 70 gram egg white at high speed for 5 minutes. Use the FunColours Yellow gel to colour the batter. Put decorating tip #12 in a decorating bag and fill it with the macaron batter. Lay the macaron mat on a baking tray and pipe dots on the mat. Let this dry for 2 hours. Preheat the oven at 140°C (convection oven 130°C). Bake for 15 minutes.

Mix 200 gram FunCakes mix for Buttercream with 150 ml limoncello and 50 ml water, and set aside. If you don't want to use alcohol, mix the mix for buttercream with 200 ml water. Then add FunCakes lemon flavouring paste when you have made the buttercream.

Preheat the oven to 180°C (convection oven 160°C). Mix 400 gram FunCakes mix for Limoncello Cake with 175 gram soft butter and 4 eggs in 4 minutes into a smooth batter. Put the baking cups in a muffin tray and fill them with the use of an ice cream scoop. Bake the cupcakes in 20 minutes until golden. Let them cool down completely.

Finish the buttercream as described on the packaging. Put some of the buttercream in a decorating bag and pipe this between the macarons. Melt the FunCakes Chocolate Melts White in the microwave and put in a decorating bag. Cut off the tip and drizzle the chocolate over the macarons.
