Step 1: Melt the Choco Drip

Melt the Choco Drips from Colour Mill as indicated on the packaging. Then line a baking tray with parchment paper or a silicone baking mat.

Step 2: Create the Choco Bark

Pour the bottle of white Choco Drip onto the parchment paper and use a spatula to spread it evenly over the surface. Drizzle the red Choco Drip over the white drip, creating random swirls of red drip on the white layer. Repeat this with the green Choco Drip.

Step 3: Mix all the colours together

Use a skewer, toothpick, or fork to swirl the three colours of Choco Drip together. Be creative and make it a fun design!
