Step 1: Bake the mini cupcakes

Preheat the oven to 180°C (hot air oven 160°C) and divide the white baking cups between the mini muffin pan. Make sure the ingredients are processed at room temperature. Make the cupcake batter using 250 grams of the FunCakes with 125 grams of cream butter and 2,5 eggs (250 gr) as indicated on the package.

Fill the mini baking cups with the batter and bake the cupcakes for about 12-17 minutes until light brown. Then let them cool well on the countertop.

Step 2: Make the enchanted cream

Make 75 grams of the FunCakes Mix for Enchanted Cream with 50 ml of water and 50 ml of milk as directed on the package. Flavour the enchanted cream with the FunCakes Flavour Paste Rose. You can do this by placing a little of the flavor paste through the enchanted cream. Place the enchanted cream in two piping bags with nozzles #1M and #6B.
