Step 1: Make the brownie cupcakes

Make sure all ingredients are at room temperature. Preheat the oven to 175°C (hot-air oven 160°C) and divide the House of Marie baking cups between the muffin tin. Make 500g of the FunCakes Mix for Cake Brownie with the eggs, butter and water as directed on the package

Using an ice cream scoop or two spoons, divide the batter between the baking cups and bake for about 18-22 minutes until done. Let the cupcakes cool well on the counter after baking.

Step 2: Make the snowflakes from fondant

Knead the SmartFlex Fondant White and Baby Blue well. Sprinkle sugar baking powder on your work surface and roll out the fondant with the Wilton rolling stick into an even round shape about 2-3 mm thick. While rolling, always turn the fondant a quarter turn to prevent sticking. Then cut out various sizes of snowflakes with the PME Snowflake Plunger Cutters. Set the fondant snowflakes aside to use later when decorating.

Step 3: Decorate the brownie cupcakes

Make 150g of the FunCakes Enchanted Cream mix with 150ml of milk as directed on the package. Put the Enchanted Cream in a piping bag with the Wilton nozzle #1M.

Pipe pretty rosettes on the brownie cupcakes and decorate with the fondant snowflakes.

Step 4: Enjoy these delicious Winter Brownie Cupcakes during the cold winter days!
