

Ice cream

Ice cream is, of course, not to be missed during these lovely hot summer days. So cool down this summer by making super easy ice cream yourself with FunCakes products. The base of the ice cream is made of FunCakes Mix for Enchanted Cream, whole milk and whipped cream. Add delicious vanilla flavor paste to make vanilla ice cream. Finally, top the ice cream with different kinds of sprinkles. Make it a party and enjoy!

FunCakes Mix for Enchanted Cream®
450g

F10130
€7.35

Ingredients

- FunCakes Mix for Enchanted Cream® 100 gr
- FunCakes Flavoring paste
- 175 ml whipped cream
- 75 ml whole milk

Step 1: Make the ice cream

Put the 100 g FunCakes Mix For Enchanted Cream® in a mixing bowl and add the 175 ml whipping cream and 75 ml whole milk. Mix this briefly with a whisk to a smooth cream and spatula into a plastic container with a lid. Place the container in the freezer for 24 hours.

Tip: Add a FunCakes Flavoring paste and food coloring to your taste for a delicious flavor and happy color!

Step 2: Decorate the ice cream

Decorating the ice cream is up to you. For example, add delicious FunCakes Chocolate Drops or FunCakes Musket Seeds. The choice is entirely up to you!

Step 3: Enjoy your delicious ice cream!

This recipe is made possible by FunCakes.
