### **Step 1: Roll out the FunCakes Sugar Paste Earth Colours**

First allow the sugar paste to reach ambient temperature before processing. Knead the sugar paste firmly until it is smooth and elastic. Sprinkle the work surface with a little sugar baking powder and roll out the sugar paste with a rolling pin into an even round shape (2-3 mm thick). Turn the sugar paste a quarter turn each time to avoid sticking.

Then cut out rounds with the Cookie Cutter Ring and imprint a text with the ScrapCooking Cookie Stamp with Customizable pad. Repeat the steps with the different colours of sugar paste and leave to dry for a few hours.

### **Step 2: Make the dough from the FunCakes Mix for Cookies**

Preheat the oven to 180°C (hot-air oven 160°C). Prepare 500 g FunCakes Mix for Cookies with 150 g (cream) butter and 1 egg (50 g) as indicated on the package. Wrap the dough in cling film and let it rest in the fridge for at least an hour.

### **Step 3: Roll out the cookie dough and cut out cars**

After cooling, roll out the cookie dough on a floured work surface to a thickness of about 2-3 mm and cut out little cars with the Cookie Cutter Car. Place these on a baking tray lined with baking paper and bake the cookies for 10-12 minutes until light brown. Then let them cool well flat on a cooling

rack.

#### **Step 4: Make the FunCakes Mix for Royal Icing**

Make 225 g of the FunCakes Mix for Royal Icing with 27 ml of water as indicated on the package and put it in a piping bag with nozzle #002. Decorate the car cookies with the royal icing and leave to dry for a while.

#### **Step 5: Make the FunCakes Mix for Cupcakes**

Prepare 500g FunCakes Mix for Cupcakes with 250g (cream) butter and 5 eggs (250g) as indicated on the package. Divide the House of Marie Baking Cups Kraft between the muffin pan and put the batter in the baking cups. Bake the cupcakes for about 18-22 minutes until light brown in the oven. If necessary, bake in two parts if you have any batter left over. Let the cupcakes cool completely before decorating them.

#### **Step 6: Make the FunCakes Mix for Enchanted Cream**

Prepare 200 g FunCakes Mix for Enchanted Cream® with 200 ml water as indicated on the package and put it in a piping bag with Wilton's #1M nozzle. This ratio gives a slightly firmer cream.

### **Step 7: Decorate the cupcakes**

Pipe pretty rosettes on the cupcakes and decorate them with the FunCakes Christmas mix sprinkles, the car cookies and the sugar paste text tiles.

### **Step 8: Deliciously enjoy these Christmas Cupcakes with Car Cookies!**
