## Ingredients

- 500 g (4 cups) *FunCakes Mix for Donuts*
- 100 g (3/4 cup) *FunCakes Mix for Swiss Meringue Buttercream*
- *FunCakes Dip 'n Drip White*
- *FunCakes Food Colour Gel Pink*
- *FunCakes Food Colour Gel Red Earth*
- *FunCakes Edible Dried Flowers Heather*
- *FunCakes Edible Dried Flowers Rose Buds*
- *FunCakes Edible Dried Flowers Rose Petals*
- 285 ml (1 1/4 cups) *water*
- 220 g (1 cup) *unsalted butter*
- 55 g (1/4 cup) *plantbased oil*

## Necessities

- *FunCakes Decorating Bags*
- *Wilton Decorating Tip #032*
- *Wilton Wide Glide Rolling Pin 50 cm*
- *Patisse Cookie Cutter Round 6cm*
- *Cookie Cutter Ring Ø 1 cm*
- *Frying pan with plantbased oil*

## Step 1: Prepare the donut dough

Start by preparing 500 g (4 cups) of *FunCakes Mix for Donuts*, following the instructions on the package. Dust your work surface with *FunCakes Magic Roll-out Powder* and roll out the dough to about 1/2 cm thick. Use a 6 cm round cookie cutter to cut out circles, then use a 1 cm cutter to cut out smaller circles from the larger ones, creating the donut shape. Place the donuts on a baking sheet lined with parchment paper and cover with a clean tea towel. Let them rest for 25 minutes.

## Step 2: Fry the donuts

Meanwhile, heat the deep fryer to 180°C/356°F. Fry the donuts for about 90 seconds on each side until they are lightly golden brown. Remove them from the oil and place them on paper towels to drain. Once they have cooled, cut them in half to create a top and bottom for each donut.

## Step 3: Make the buttercream

Prepare 100 g (3/4 cup) of *FunCakes Mix for Swiss Meringue Buttercream* according to the instructions on the package. Once prepared, fill a piping bag fitted with piping tip #032 with the buttercream.

## Step 4: Fill the donuts

Once the donuts have completely cooled, pipe a layer of the *Swiss Meringue Buttercream* onto the bottom half of each donut.

## Step 5: Decorate the donuts

Take two tablespoons of FunCakes Dip 'n Drip and heat them together with a drop of FunCakes Food Colour Gel Pink and a drop of FunCakes Food Colour Gel Red Earth in the microwave for 10 seconds. Place the mixture into a piping bag and snip off the tip. Decorate some of the donuts by piping the coloured mixture onto the tops. Finish them off by adding edible dried flowers.

Return the remaining Dip 'n Drip to a small bowl and add more food colouring to darken the shade slightly. Decorate the remaining donuts with this darker colour, or mix a third, even darker shade of pink for extra variation. Place the tops back onto the donuts to complete the decoration.
